

Purpose of the Collection: To support instruction and research to the Ph.D. level in the areas of Educational Administration and Supervision, Higher Education, Research, Measurement, and Statistics; as well as Human Resource Development, Social and Cultural Foundations of Education.

General Collection Guidelines:

- a. Languages: English is the primary language of collection.
- b. Geographical Guidelines: Emphasis is on contemporary education as developed in the United States, Western Europe, and Japan. Other areas may be added for historical and comparative perspectives.
- c. Treatment of Subject: The history of Education in all aspects will be collected on a broad basis. Memoirs and biographies of educational leaders will be collected selectively. Emphasis is on education in the 20th century and beyond. Historical works are added when available.
